

Pet's Name Magda Moon

King or Queen? Queen

Most Regal Habit

Her loving nature, and compassion and love for those smaller and less happy than her. If you're feeling down Magda will be by your side to cheer you up until you're fit enough to dispense the treats again.

Least Regal Habit

She drools like her 3rd breed is a banana slug. There is a near constant line streaming from her well-endowed jowls.

Royal Decree

All acts of loyalty, love and obedience shall be rewarded with the treats.
