Low-Cost Spay/Neuter Application

The Wenatchee Valley Humane Society, working with local veterinarians, has created a low-cost spay/neuter program for the low-income citizens of Chelan & Douglas county. This program is for pet owners who have genuine financial need. You must supply all of the information in the form to be eligible to receive a low-cost spay/neuter voucher.

Although we would like to help everyone who applies for assistance, our funds are limited. The Wenatchee Valley Humane Society reserves the right to deny assistance to anyone applying for help with spay or neuter surgery for their owned animal, and this decision is at the discretion of the Wenatchee Valley Humane Society. Funds used to make these payments are obtained by grants and private donations. Please return our generosity to you and your pets by volunteering or making a donation when your situation changes.

• Provide proof of income: Pay Stub, Disability, Unemployment, Food Assistance, Medicaid, Social Security, or State Assistance.
